

About Trav-Art

Description

Jeff in Mesa Verde

My hobbies are various forms of art (painting, woodburning, and photography) and travel (with lots of outdoor pursuits involved). So rather than limit myself to choosing one topic for this blog, I decided to combine them into Trav-Art.

Over the years I've been many places, hiked many trails, saw many sunsets, and captured much of what I found in photos and in paint. My family of four are eager participants in the adventures. I'm happy to share what I know from all these years and look forward to continuing to add to the site over time.

All photos and text throughout the site are the exclusive copyright of Jeff Aguilar.
